Central Analytical Facility
Research Image Award 2019

We are excited to announce the very first CAF Research Image Award for the year 2019! CAF will hold this once a year. The deadline for image entry for is June 1st, 2019. Winners will be announced on Aug 1st 2019.

Research is about exploring, finding and understanding exciting new things. Images related to research can be instrumental to help people to understand discoveries better and convey the depth of message behind a research. With this contest we want to highlight current research at University of Alabama and CAF and take it to wider variety of audiences. Please help us to spread the word!

Undergraduate students, Graduate students and Postdoctoral associates at UA who use the instruments at CAF for their research are invited to submit images taken at this facility for the contest. Images can be either of these two categories:

- Microscopy Images: Must be taken at CAF. High-Res JPEG, TIFF or PNG formats
- Graphics / Illustration: Data must be taken at CAF. High-Res JPEG, TIFF or PDF formats

All entries will be judged by a multidisciplinary panel based on image quality, research significance, and visual impact. They should be original and effective at information communication. The work of Finalists will be displayed at the CAF website.

Finalists compete for the following prizes:

- Grand Award: $250
- Runner-up: $150
- Honorable mention: $100

For more information about the competition, including requirements, restrictions, deadlines, and judging criteria, please visit https://caf.ua.edu/Research-Image-Award

The Image of Research is cosponsored by The Office of Research & Economic Development.
